

Stephen Probyn  
1951 - 2008

# In Honour of Stephen Probyn

**Stephen Probyn was an international leader in energy development, public policy and finance, and one of the driving forces behind APPRO for many years. This web page is dedicated to his memory and is intended to serve as a means to collect and develop suggestions for a lasting tribute in his honour.**

The content on this page is expected to change and grow as contributions are received from his many friends and colleagues.

Everyone who knew Steve is invited to contribute writings, photos, or other material for use on this website, or to further commemorate the work of this great Canadian.

Please contact APPRO using the links below, for further information or to contribute materials or suggestions.
